Patan, Lalitpur

Summary

I am an undergraduate in Computer Engineering with a strong enthusiasm for Artificial Intelligence, Machine Learning, Data Science, Web development, and software development. I enjoy analysing client requirements and turning them into effective solutions by building intelligent systems and scalable applications. I am committed to continuously enhancing my technical, analytical, and problem-solving abilities through hands-on projects and real-world experience.

Skills

- **Languages:** Python, C++, C, JavaScript, Java, HTML, CSS.
- **Data Science & AI:** Data Cleaning and Preprocessing, Exploratory Data Analysis (EDA), Data Visualization, Machine Learning and Modeling.
- **Web Development:** HTML, CSS
- **Tools and IDEs:** VS Code, PyCharm, Jupyter Notebook, PostgreSQL, MySQL
- **Version Control:** Git, GitHub.
- **Data Science Tools:** Pandas, NumPy, Matplotlib, Seaborn, Scikit-learn, SciPy, Statsmodels.
- **Concepts:** Object-Oriented Programming (OOP), Data Structures and Algorithms, DBMS, Data Analysis, Problem Solving

Education

Bachelor in Computer Engineering

[Jan 2024-Present]

- Thapathali Campus
- IOE, Tribhuvan University
- Thapathali, Kathmandu

School Leaving Certificate (SLC)

[2020-2022]

- Kalika Manavgyan Secondary School
- National Examinations Board (NEB)
- Tilottama, Rupandehi

Secondary Education Examination (SEE)

[2011-2020]

- Parijat English Boarding Secondary School
- National Examination Board (NEB)
- Bangai, Kapilvastu

Notable Projects

Yumio – Food delivery app

Yumio is a Food ordering website where you can order your fav food items and can also get its recipe if you want to make it yourself. Made using PERN stack.

Data Science Project

Collection of my Data Science and Data Analysis projects, focused on Python, data manipulation, visualization, analytics , model building , predicting and so on.

These projects use real-world datasets to practice and demonstrate practical implementations.

Certifications

Software Fellowship — Locus

Full Stack Production — ECAST
